

Year of establishment: 2007

Host Institution: University of Algarve (UAAlg), Portugal

National Status: R&D Unit funded by FCT (Foundation for Science and Technology, Portugal)

Executive Board

Patrícia Pinto (Coordinator)

Manuela Guerreiro (Co-Coordinator)

Luís Pereira (Co-Coordinator)

External Advisory Board

Jafar Jafari (President) | Noel Scott | Alfonso Vargas

Sanchez | Renata Tomljenović | Juan Tobal |

Dora Agapito | Theano S. Terkenli

Major Scientific Areas

Social and Economic Geography

Economics and Management

Other Social Sciences

MISSION AND GOAL

CIEO/CinTurs is a multidisciplinary Research Centre that combines knowledge and approaches from Human, Social and Environmental Sciences to produce and transfer knowledge in Tourism and Hospitality with the goal of contributing to sustainable development of tourist territories, competitiveness of hospitality industry and destinations' governance, and well-being of tourists, visited communities and employees in the tourism industry.

CinTurs is the new name proposed for the R&D Unit, given its restructuring process at the end of 2017, towards research in Tourism and Hospitality. The original name of the R&D Unit is CIEO (Research Centre for Spatial and Organizational Dynamics).

STRATEGIC GUIDELINES AND ACTIVITIES

- Multidisciplinary research and collaborative processes
- Internationalization
- Strong ties with the region
- Commitment to excellence in scientific production
- Sturdy support to advanced training (PhD & PostDoc levels)
- Strong involvement in relevant actions for society
- Initiation of undergraduate and master students to research
- Active organization of conferences, seminars and short courses.

RESEARCH AREAS

- ▀ **Sustainable Tourism and Territories** focusing on designing healthier, greener, resilient, regenerated tourism destinations, with better mobility conditions, improved air and water quality, reduced crime and security costs.

Keywords: Tourism Planning and Development, Tourism Geographies, Environmental Impacts of Tourism, Resilience in Tourism, Ecotourism and Protected Areas, Smart Tourism, Outdoor Recreation, Design of Recreation Areas, Touristic Resources, Park/Beach Management and Regenerative Tourism.

- ▀ **Tourism and Stakeholders' Well-being** focusing on the identification of solutions that contribute to guarantee the well-being of the stakeholders (tourists, residents, and workers in the tourism industry), increasing social cohesion and better living conditions for all.

Keywords: Tourists' Well-being, Tourism and residents, Tourism and quality of life, Second home Tourism, Social Impacts of Tourism, Cultural Impacts of Tourism, Health Tourism, Sports and Tourism, Healthy Workplaces in Hospitality, Lifestyle Mobilities and Migration.

- ▀ **Tourism and Hospitality Competitiveness and Governance** focusing on developing creative and innovative strategies to ensure the competitiveness of destinations as well as models of governance adapted to the needs to all relevant stakeholders in the tourism activity.

Keywords: Destination Governance, Destination Competitiveness, Destination Branding, Quality of Tourism Destinations, Economic Impacts of Tourism, Hospitality Industry, Innovation in Tourism, Tourism Marketing, Tourism Experiences, Event Tourism and Cultural Tourism.

FACILITIES

CinTurs is located at the Faculty of Economics of the University of Algarve (FeUAAlg) and shares part of its facilities:

- 1 secretariat office
- 1 open space area for researchers
- 1 meeting room for advanced courses/ scientific meetings
- 2 auditoriums for seminars/conferences
- Free access to electronic resources
- 2 computer labs and 1 office for IT support

General facilities next to CinTurs location are also the Central Library. UAAlg also provides administrative support in financial matters, due to the tight interaction between CinTurs and UAAlg.

MEMBERS

Integrated PhD Members: 36

Integrated PhD Students: 52

Collaborator Members: 54

Staff: 2

MULTIDISCIPLINARY TEAM

(PhD fields of Integrated Members)

Tourism: 17%

Psychology: 14%

Economy: 14%

Management: 14%

Environmental sciences: 11%

Quantitative methods: 9%

Sociology: 6%

Sports sciences: 6%

Other fields: 9%

HIGHLIGHTS 2013-2018

€ 1.74	of total funding:
Million	€ 0.49 Million from pluriannual funding (FCT)
	€ 1.25 Million from project funding (46% from international funding; an increase of 73% in 2018)
443	indexed articles
229	articles in journals with Scopus indexed (64 in 2018, with 53.1% in Q1 or Q2)
161	books' chapters
27	books (author)
70	books/Journals (edition)
58	R&D projects (62% international)
19	consulting projects
58	international research stays
25	scientific awards
22	international conferences
105	seminars
17	short courses
4	active support to PhD programmes
54	PhD thesis concluded (9 FCT PhD Scholarships)
7	postdoctoral researchers (10 applications for PostDoc fellowships in 2019)
170	MSc dissertations concluded
36	undergraduate and master students enrolled in research
2	scientific journals edited, indexed in Web-of-Science
	Journal of Spatial and Organizational Dynamics (JSOD)
	Tourism and Management Studies (TMS)

R&D PROJECTS SINCE 2013

Coordination of 12 international projects

TrailGazersBid (Interreg Atlantic Area; 2019-2022)

TunaRoute (EMFF; 2018-2019)

RESTORE (Horizon 2020; 2016-2021)

TRIANGLE (Erasmus +; 2016-2019)

ShapeTourism (Interreg Med; 2016-2018)

INSPIRATION (Horizon 2020; 2015-2018)

LMPH (Tempus; 2014-2016)

TOURMEDASSETS (Interreg Med; 2014-2015)

GreenInUrbs (Horizon 2020; 2013-2017)

HARVESTAtlantic (Interreg Atlantic Area; 2011-2014)

OLITRACE 2 (Interreg IV-A Spain – Portugal; 2011-2013)

KIMERAA (Interreg Atlantic Area; 2010-2014)

+ participation in 24 international projects under the Interreg Med, Interreg V-A Spain–Portugal, Horizon 2020, Erasmus +, COST, CAPES and EuroQol frameworks

Coordination of 7 national projects

TurExperience (CRESC Algarve 2020; 2019-2021)

RESTUR (CRESC Algarve 2020; 2019-2021)

BIODES (FCT; 2018-2021)

CREATOUR (FCT; CRESC Algarve 2020; Lisboa 2020; 2016-2019)

ACCES4ALL (FCT, CRESC Algarve 2020, Norte 2020; 2017-2019)

WARECAMO (FCT; 2016-2018)

ALQUEVA (FCT; 2010-2013)

+ participation in 15 national projects under the FCT, CRESC Algarve 2020, Mar 2020, PO Algarve 21, FCT, PRODER and ARDITI frameworks

NETWORKING

CinTurs has been working with a wide and diverse network of institutions (Universities, Research Centres, Companies and other public institutions):

74 international institutions

56 national institutions

OUTSTANDING AWARDS 2018-2019

Saul de Jesus: Prémio Carreira Sul 2019 (honorable mention), Order of Portuguese Psychologists, Portugal

João Guerreiro: Scientific Merit Medal, Science 2018, FCT, Portugal

MAJOR CONFERENCES UPCOMING

- 3rd CREATOUR International Conference and Creative Tourism Showcase. University of Algarve, 23-25, Oct.'19
- t-Forum 2020 Global Conference. Algarve, 18-20, Mar.'20

MAJOR SHORT COURSES UPCOMING

- Literature Review with NVivo
- Quantitative Data Analysis with SPSS Statistics
